- c) Shooting Australia (**SA**) may select athletes (see clause 5) to the team (**Team**) to participate in one or more events at the WChamps. Subject to automatic selection under clause 7, SA is under no obligation to select the maximum number of athletes for any event.
- d) This Selection Criteria (**Selection Criteria**) details the process established by SA for the selection of athletes to represent Australia at the WChamps.

2. OBJECTIVES

- a) SA's objective when selecting the Team is to maximise the number of medals that SA can win in benchmark events including (but not limited to) the 2018 World Championship and the 2020 Paralympic Games.
- b) For the avoidance of doubt, the objective outlined above is to provide context to the Selection Criteria only and in no way impact on the selection of the Team by the SA Selection Panel or the exercise of discretion (where exercised) by the SA Selection Panel.

3. SA SELECTION PANEL

- a) The SA Selection Panel will be made up of the SA Para Shooting National Coach, the relevant SA Member Body's High Performance Committee Representative and the SA General Manager, High Performance (**SA Selection Panel**).
- b) The SA Selection Panel will select the Team according to the terms of this Selection Criteria.

- c) In the event that there are any Shotgun events at the WChamps, the SA Selection Panel, at its absolute discretion, may select athletes to compete in any Shotgun event in accordance with clause 7.

5. TEAM SIZE

- a) Up to three (3) athletes may be selected to the Team per event by the SA Selection Panel. Neither this Selection Criteria, nor SA or WSPS require SA to select the maximum number of athletes to the Team. For the avoidance of doubt, subject to automatic selection under clause 7, nothing in this Selection Criteria operates so as to require the SA Selection Panel to exercise any discretion to select any athletes to the Team or fill all available positions on the Team, and the final Team members and composition of the Team are determined at the absolute discretion of the SA Selection Panel.

6. ATHLETE ELIGIBILITY

- a) In order to be eligible for selection to the Team an athlete must:
 - (i) be a registered financial member of a SA Member Body;
 - (ii) be eligible to compete for Australia in shooting events in future Paralympic, World Championship and World Cups;
 - (iii) meet all eligibility requirements imposed by WSPS; and
 - (iv) sign and abide by the SA Athlete Agreement as per clause 10.

7. SELECTION PROCESS

- a) Athletes to compete in events at the WChamps will be selected to the Team according to the following process:

Paralympic and Non-Paralympic Events

- (i) Subject to clause 7(a)(ii), any athlete who achieves or has achieved the Performance Standard (see clause 8 which set outs the Performance Standards for Paralympic and Non-Paralympic Events) (**Performance Standard**) during the Performance Window (as defined in clause 7(b)) in an SA Endorsed Event will be selected to attend the WChamps in the event in which the relevant Performance Standard is achieved;
- (ii) If more than three athletes in one event achieve the relevant Performance Standard during the Performance Window in an SA Endorsed Event then the SA Selection Panel at its sole and absolute discretion will select the athletes to the Team in the event in which the relevant Performance Standard is achieved from those athletes who have achieved the relevant Performance Standard during the Performance Window and in an SA Endorsed Event only. Without in any way limiting the discretion of SA Selection Panel, in making a determination as to which athletes to

select under this clause (if any), the SA Selection Panel may consider any of the following factors (the **Factors**):

- A. International podium performances since 1st May 2017;
 - B. international qualifying and finals performances since 1st May 2017;
 - C. international head-to-head performances since 1st May 2017;
 - D. all domestic performances since 1st May 2017 including qualifying and finals as well as head to head performances;

 - F. form and performance trends of the athletes; or
 - G. any other factors the SA Selection Panel considers relevant.
- (iii) The discretion granted to the SA Selection Panel in clause 7(a)(ii) above is absolute and it need not be exercised. In exercising its discretion, the SA Selection Panel may consider any Factor, or combination of Factors that is, in the opinion of the SA Selection Panel, relevant for consideration when selecting the Team and may attribute whatever weight it deems appropriate to any particular Factor when making its decision. For the avoidance of doubt, the SA Selection Panel is not required to consider, turn their mind to or rely on all the Factors in the exercise of their discretion to make a Selection Decision (for example, the SA Selection Panel is therefore entitled to rely on one Factor, two Factors, three Factors, etc. or a combination of a number of Factors in the exercise of discretion to make a selection decision).
- b) For the purposes of selection under clause 7(a), athletes must achieve or have achieved the Performance Standard on or after 1 May 2017 and at least 45 days prior to the Official Arrival Day of the WChamps (**Performance Window**).
- c) Athletes will not be eligible for selection to the Team where they have not achieved the Performance Standard during the Performance Window.

Shotgun

- d) In the event that there are any Shotgun events at the WChamps, the SA Selection Panel, at its sole and absolute discretion, may select up to three athletes to compete in any Shotgun event. Without in any way limiting the discretion of SA Selection Panel, in making a determination as to which athletes to select under this clause (if any), the SA Selection Panel may consider any of the following factors (the **Factors**):
- A. International podium performances since 1st December 2017;

- B. international qualifying and finals performances since 1st December 2017;
 - C. international head-to-head performances since 1st December 2017;
 - D. all domestic performances since 1st December 2017 including qualifying and finals as well as head to head performances;
 - E. commitment to training and preparation for competition;
 - F. form and performance trends of the athletes; or
 - G. any other factors the SA Selection Panel considers relevant.
- e) The discretion granted to the SA Selection Panel in clause 7(d) above is absolute and it need not be exercised. In exercising its discretion, the SA Selection Panel may consider any Factor, or combination of Factors that is, in the opinion of the SA Selection Panel, relevant for consideration when selecting the Team and may attribute whatever weight it deems appropriate to any particular Factor when making its decision. For the avoidance of doubt, the SA Selection Panel is not required to consider, turn their mind to or rely on all the Factors in the exercise of their discretion to make a Selection Decision (for example, the SA Selection Panel is therefore entitled to rely on one Factor, two Factors, three Factors, etc. or a combination of a number of Factors in the exercise of discretion to make a selection decision).

Athletes agree that the SA Selection Panel may remove an athlete from the Team where:
