Published: 1 April 2022

1. BACKGROUND

- a) The International Shooting Sport Federation (**ISSF**) Junior World Championships (**JWCH**) are conducted according to ISSF rules.
- b) ISSF is conducting the JWCH for shotgun athletes in 2022. The details for the event are as follows:

Year	Date	Disciplines	Location
2022	22 nd SEP - 11 th OCT	Shotgun	Osijek, Croatia

- c) Shooting Australia (**SA**) may select athletes (see clause 5) to the team (**Team**) to participate in the JWCH. SA is under no obligation to select any, or the maximum number of, athletes for any event at the JWCH.
- d) This Selection Criteria (**Selection Criteria**) details the process established by SA for the selection of athletes to the Team to represent Australia at the 2022 JWCH.

2. OBJECTIVES

- a) SA's objectives when considering selections to the Team are to:
 - (i) Maximise the number of medals that SA can win in benchmark events including (but not limited to) the 2024 Olympic Games and ISSF World and Continental Championships; and/or
 - (ii) Use this and other ISSF events to provide elite and pre-elite athletes with exposure to high-quality international competition that will help to accelerate their development for 2024 and beyond.
- b) For the avoidance of doubt, the objectives in clause 2(a) simply provide context to and for these Selection Criteria and in no way impact on the selection of the Team by the SA Selection Panel (**Selection Panel**) or the exercise of discretion (if any) by the Selection Panel.

3. SELECTION PANEL

- a) The Selection Panel shall comprise the SA National Coach (discipline specific), the relevant SA Member Organisation's High-Performance Committee Representative and the SA High Performance Director.
- b) The Selection Panel will select the Team subject to, and in accordance with, the terms of this Selection Criteria.

5. TEAM SIZE

- a) SA may select and enter a maximum of six (6) athletes in Individual events. Two (2) of those athletes must be under the age of eighteen (18) years on the day of the opening of the Championship concerned. A maximum of three (3) athletes of one nation (the three top-ranked after Qualification) may proceed to the Final.
- b) Neither this Selection Criteria, nor SA nor ISSF require SA to select any, or the maximum number of, athletes to the Team for the JWCH. For the avoidance of doubt, nothing in this Selection Criteria operates to require the Selection Panel to exercise any discretion to select any athletes to the Team or fill all available positions on the Team. Final Team members and composition of the Team are determined at the absolute discretion of the SA Selection Panel.

6. ATHLETE ELIGIBILITY

- a) In order to be eligible for consideration for selection to the Team for the JWCH an athlete must:
- (i) Be a registered financial member of a SA Member Organisation;
 - (ii) Be eligible to compete for Australia in shooting events in future Olympic Games, World and Continental Championships;

- b) The APS is determined by SA based on the average of each athlete's top three (3) qualification scores in SA-endorsed events conducted within the Performance Window (**Performance Window**). SA-endorsed events are events that appear on the SA Calendar with the label "SA Endorsed". The SA Calendar can be found on the SA website at [Shooting Australia Events](#). The Performance Window for the 2022 JWCH shall be from 1 January 2021 until the conclusion of the last 2022 JWCH Selection Event.
- c) The Minimum Performance Standard (MPS) for each event is as follows:

8. PROCESS FOR OBTAINING A JWCH SELECTION SCORE

- a) The process for obtaining a Selection Score for the 2022 JWCH (**Selection Score**) is as follows:
- (i) Athletes will have an opportunity to participate in up to three (3) JWCH Selection Events (**Selection Events**) to accumulate points (**Event Points**) that contribute to their JWCH Selection Score. Specific dates and locations of Selection Events are as follows:

SELECTION EVENT	#1	#2	#3
NAME	NSWCTA State Titles	VCTA State Titles	QCTA State Titles
DATES	8 th - 10 th April 2022	30 th April - 1 st May 2022	1 st - 3 rd July 2022
LOCATION	Sydney International Shooting Centre (SISC), NSW	Melbourne Gun Club, Yering VIC	Brisbane Gun Club, QLD

- (ii) At each Selection Event, athletes will be awarded Event Points based on the combined total of their Qualifying Points (**Qualifying Points**) and Finishing Points (**Finishing Points**);

- (iii) Qualifying Points will be calculated and awarded in the following manner:
 - A. The Qualifying Points that each athlete is to receive for each Selection Event is equal to their qualifying score for that event.
 - B. For example, an athlete that qualifies for the Trap Women final with a score of 121 shall receive 121 qualifying points for that Selection Event.
- (iv) Finishing Points will be calculated and awarded in the following manner:
 - A. The Finishing Points that each athlete is to receive for each Selection Event is determined by the athlete's finishing position after the final. 1st place is awarded 8 points, 2nd place 7 points, 3rd place 6 points and so on until all athletes that have qualified for the final are awarded points, regardless of the number of starters in the final.
 - B. An athlete who does not qualify for the final will receive no Finishing Points.
- (v) Event Points will be calculated by combining the Qualifying Points and Finishing Points at each individual Selection Event. For example, an athlete that qualifies for the final on a score of 116 (116 Qualifying Points), and then wins the Gold Medal (8 Finishing Points), shall be awarded 124 Event Points (116 + 8), for that Selection Event.
- (vi) For the avoidance of doubt, the process for accumulating Event Points is the same for all JWCH Selection Events;
- (vii) At the end of the Selection Events, each athlete will obtain a Selection Score which is calculated based on the combined total of all their Event Points achieved in all the Selection Events. Accordingly, and for the avoidance of any doubt, where an athlete:
 - A. **Participates in three (3) Selection Events:** their Selection Score is calculated based on the combined total of all three (3) Events Points achieved in all the Selection Events.
 - B. **Participates in two (2) or less Selection Events:** their Selection Score is calculated based on the combined total of the Event Points achieved in all of the Selection Events they participated in; and
- (viii) At the end of the Selection Events, Selection Scores for all eligible athletes will then be ranked from highest to lowest.

9. SELECTION PROCESS FOR THE MEN'S AND WOMEN'S EVENTS

- a) Subject always to clauses 5, 6 and 7, the Selection Panel will select athletes to the Team according to the following process (**Selection Process**):
 - (i) Up to two (2) positions in each event will be allocated to athletes that have demonstrated medal winning performance in ISSF World Cup individual competitions within the Performance Window as follows:
 - a. The athlete with the highest number of ISSF World Cup medals from individual events shall be selected to the first position on the Team;
 - b. The athlete with the second highest number of ISSF World Cup medals in individual events shall be selected to the second position on the Team;
 - c. If two (2) or more athletes are tied based on medal winning performances in ISSF World Cup individual competitions during the Performance Window,

- positions on the Team will be selected at the absolute discretion of the Selection Panel;
- d. If less than two (2) athletes have demonstrated medal winning performances at ISSF World Cup individual competitions during the Performance Window, all remaining positions on the Team will be determined in accordance with clause 9(a)(ii);
- (ii) Subsequent to the application of 9(a)(i) above, athletes will be selected to the Team in order of their JWCH Selection Score ranking at the conclusion of the Selection Events. If two (2) or more athletes are tied based on their Selection Scores, the tie will be broken as outlined in clause 9(a)(iii)
- (iii) In the event of a tie, the Selection Panel will consider the following criteria, in the order listed, until the tie is broken:
- Total of qualification scores (actual targets shot), from all Selection Events where the athletes participated head to head;
 - At the absolute discretion of the Selection Panel.
- (iv) For the avoidance of doubt, only those athletes that remain tied after consideration of the first criterion (9(a)(iii)a. will be considered against the second criterion (9(a)(iii)b. to break the tie.
- b) In the unlikely event that a minimum of three (3) JWCH Selection Events cannot be completed due to extenuating circumstances (**Extenuating Circumstances**), athletes will be selected to the Team by the SA Selection Panel at its absolute discretion.

10. EXTENUATING CIRCUMSTANCES

- In determining whether an athlete has satisfied the criteria set out in clauses 7, 8 or 9, the SA Selection Panel at its absolute discretion may take in to account any Extenuating Circumstances which prevent an athlete from achieving the Selection Score which would otherwise be required to obtain selection to the Team. For the avoidance of doubt, the exercise of this discretion by the Selection Panel may result in a different athlete being selected to the Team.
- Without limitation, the SA Selection Panel may consider an athlete's non-attendance at a Selection Event to be an Extenuating Circumstance in its absolute discretion.
- In the event that an athlete determines that he or she is unable to attend a Selection Event, that athlete must notify the SA High Performance Director of his or her non-attendance in writing as soon as practicable. The High Performance Director may require an athlete to undergo a medical examination as a condition of the athlete's non-attendance at a Selection Event being treated as an Extenuating Circumstance by the SA Selection Panel.

- c) In all cases, continuing membership of the Team is dependent on the athlete demonstrating to the SA Selection Panel and relevant National Coach that they are maintaining a suitable training regime and where deemed necessary, attending such camps as determined by the SA National Coach.
- d) Athletes agree that the Selection Panel may remove an athlete from the Team where that athlete has not:
 - (i) completed, signed and returned to SA the Team Agreement as required by SA; or

In addition, these athletes may be subject to suspension pending an investigation and the outcome of any subsequent appeal. There is no right of appeal against a withdrawal under this clause 12(e).
- f) SA reserves the right to add or remove athletes from the Team for the 2022 JWCH where a need is clearly established. The SA High Performance Director must approve such changes. Examples of where this may be necessary are, but are not limited to:
