2022 Awards of Excellence Format

The Shooting Australia Awards of Excellence is an opportunity to celebrate the magnificent efforts across all areas of the International Shooting Sport Federation (ISSF) and World Shooting Para Sport (WSPS) target shooting community both domestically and internationally.

This year's event will be held 'in person' on the evening of Saturday 10th December with a recorded Awards presentation to be streamed on Shooting Australia social media platforms on Wednesday 14th December.

Shooting Australia will be presenting three **Domestic Endorsed Event Community Awards**. These awards are an opportunity for Shooting Australia, the Member Organisations (Pistol Australia, Australian Clay Target Association, Target Rifle Australia, National Rifle Association Australia, Sporting Clays Australia) and the wider target shooting Community, to thank and acknowledge the work of the many event hosts, Clubs, Volunteers and Officials who have been actively engaged in the delivery of Shooting Australia endorsed domestic events during 2022.

The Shooting Australia Domestic Endorsed Event Series would not have been possible without the enormous support from the target shooting community.
