OSF CHAMPIONSHIPS

PISTOL / RIFLE / SHOTGUN

30 OCTOBER TO 6 NOVEMBER

BRISBANE AUSTRALIA 2023

PARIS 2024 OLYMPIC AND PARALYMPIC QUOTAS

The ISSF has confirmed that quotas for the Paris 2024 Olympic Games will be allocated through the 2023 OCH in accordance with the [ISSF Olympic Games Paris 2024 qualification system](#).

Quotas for the Paralympic Games will not be allocated through the OCH.

RANKING POINTS (PARIS 2024 OLYMPICS)

The ISSF has confirmed that ranking points can be allocated to athletes in events where there is a minimum of 15 athletes competing in that event at the 2023 OCH. However, it is unlikely that this minimum number of entries will be achieved in many (if any) events, in which case no ranking points will be allocated to any athletes at the OCH.

EVENT FORMAT - OCEANIA CHAMPIONSHIPS VS OCEANIA OPEN

To increase participation opportunities, the 2023 OCH will be comprised of both '**Championship**' and '**Open**' competitions. Qualification for both will be conducted concurrently but there will be separate finals for each of the Championship and Open competitions.

Oceania Championship events will have separate finals for men and women where applicable. Oceania Open events will comprise a single open final that will be comprised of the best male, female and para-athletes (i.e. together) at the conclusion of qualification.

The scheduling of the Championship event finals will be prioritised ahead of Open event finals.

FINALS ELIGIBILITY

Only athletes who are entered in their respective National Federation's (NF) A Team will be eligible to make the Championship final. Athletes who are entered in their respective NF's B Team or as an Open competitor will be eligible to make the Open final only.

OCEANIA CHAMPIONSHIPS

Individual Events

Although NF's can enter A and B Teams in Championship events, only athletes that comprise an NF's A Team can qualify for individual Championship finals and win the OCH in

each event. Olympic quotas will be allocated to winners of the 2023 OCH in each event where those athletes have not already secured a quota for their NF through other ISSF competitions.

Teams Events

NF'S A or B Teams will be eligible to win the OCH Team events. Team scores will be calculated by adding the qualification scores of the three athletes that comprise each NF's A or B Team in each event. The team with the highest Team score will win the OCH in that event.

OCEANIA OPEN

Athletes that comprise an NF's B Team and/or other Open competitors will be eligible to qualify for and win the Open final in each event.

Junior athletes that are not members of their NF's A Team will also be eligible to compete in the Open final. In addition, consideration will be given to awarding the top Junior qualifier in each event with an Oceania Open Junior medal, subject to a minimum of 3 Junior athletes competing in the relevant event.

FINALS FORMAT

The format of OCH event finals will be conducted in accordance with the Paris 2024 finals format as confirmed by the ISSF on 11 April, 2023.

ENTRY FEES

The entry fees for Championship events will be determined by the ISSF. The entry fees for Open events will be determined by SA and will be kept to a minimum to encourage strong participation.
