1. BACKGROUND

- a) The International Shooting Sport Federation (**ISSF**) World Cups (**WC**) and Grands Prix (**GP**) are international competitions conducted according to ISSF rules.
- b) The ISSF conduct multiple WCs and GPs per shooting discipline each year with the venues and dates of these events outlined on the ISSF website at <https://www.issf-sports.org/calendar.ashx>.
- c) Shooting Australia (**SA**) will determine which WCs or GPs it selects athletes for, and sends Australian Teams (**Team**) to, as part of its 2024 High Performance Program.
- d) In 2024 the WC and GP may be used:
 - (i) as part of the Olympic Nomination process;
 - (ii) in preparation of athletes for success at the 2024 Olympic Games.
- e) SA may select athletes to the Team to participate in one or more of the WCs and GPs. SA is under no obligation to select any, or the maximum number of, athletes for any event at any of the WCs and GPs.
- f) This Selection Criteria (**Criteria**) details the process established by SA for the selection of athletes. For the avoidance of doubt, each selection of athletes to the Team for each WC or GP is an independent event, and the selection of any athlete to the Team for one WC or GP has no bearing on selections to the Team for any other WC or GP.

2. OBJECTIVES

- a) In 2024 SA may use the WC and GP events prior to the 2024 Olympic Games for the purpose of preparing athletes for podium performance at the 2024 Olympic Games and as part of the Olympic Nomination process.
- b) For the avoidance of doubt, the objective in clause 2(a) simply provides context for these Criteria and in no way impact on the selection of the Team by the SA Selection Panel (**Panel**) or the exercise of discretion by the Selection Panel.

- c) If there are any Team or Mixed Team events at the WC and GP, the Panel, at its absolute discretion, may select athletes to compete in any such Team or Mixed Team event from amongst the Team selected for the WC and GP in accordance with clause 7.
- d) At the Event, the final composition of Teams will be at the absolute discretion of the SA HPM, in consultation with the relevant National Coach. As a guide only the selection of Team members may be based on the most recent international competition results, including results from the individual rounds at the relevant competition where schedules and entry timelines permit.

5. TEAM SIZE

- a) Up to five (5) athletes may be selected per event to the Team for each WC or GP by the Panel.
- b) Where more than three (3) athletes are selected for an event, the Selection Panel, prior to the commencement of qualification, will identify three (3) athletes eligible to compete for the final. The additional up to two (2) athletes, if selected, will be identified as Ranking Points Only (**RPO**).
- c) Neither this Criteria, nor SA, nor ISSF require SA to select any, or the maximum number of, athletes to the Team for any WC or GP.

- c) In all cases, continuing membership of the Team is dependent on the athlete demonstrating to the Panel and relevant National Coach that they are maintaining a suitable training regime and where deemed necessary, attending such camps as determined by the SA National Coach.
- d) Athletes agree that the Panel may remove an athlete from the Team where that athlete has not:
 - (i) completed, signed, and returned to SA the Athlete Agreement as required by SA; or
 - (ii) met SA's requirements in relation to training and participation in training camps as required by SA.
- e) Any incident or act related to doping in breach of the relevant policies or any incident that could bring the sport into disrepute will result in the immediate withdrawal of the athlete(s) from the Team. In addition, these athletes may be subject to suspension pending an investigation and the outcome of any subsequent appeal. There is no right of appeal against a withdrawal under this clause 9(e).

- f) SA reserves the right to add or remove athletes from the Team for the 2024 WCs or GPs where a need is clearly established. The SA HPM must approve such changes. Examples of where this may be necessary are, but are not limited to:

SA will meet the Participation Costs of selected athletes who have achieved a QROG prior to selection. Athletes who subsequently achieve a QROG will be reimbursed.
- d) For all other events, as a guide, Categorized Athletes may receive funding from SA towards Participation costs, subject to the availability of funds. SA may also choose to provide funding to Pathway Athletes in the Team to offset the Participation Costs, subject to the availability of funds. SA will determine the level of funding provided to each athlete on a case-by-case basis. In the cases of the athletes who receive funding from SA, the funding will be provided in a reduction of their Participation Costs payable to SA. SA is under no obligation to invest in athletes equally.
- e) All payments of the Participation Costs to SA by an athlete for a WC or GP must be paid in full to SA at least 7 days prior to the departure for that WC or GP unless otherwise agreed by the Chief Operating Officer.
