

COMPETITION SELECTION CRITERIA
2025 ISSF WORLD CUP, GRAND PRIX &
OTHER EVENTS

PISTOL & RIFLE ATHLETES

Published: 29 January 2025

1. BACKGROUND

- a) This Competition Criteria, together with the General Criteria, details the process established by Shooting Australia (SA) for the selection of athletes to Australian Teams in pistol and rifle events (Team) at ISSF World Cups (WC), ISSF Grand Prix (GP) and Other International Events (Other Events). Other Events are those events where the Local Organising Committee requires the National Federation, i.e. SA to enter athletes and SA has determined to send a team as part of the National Program.
- b) For the avoidance of doubt, each selection of athletes to the Team for each event in each competition is an independent occurrence, and the selection of any athlete to the Team for one competition or event has no bearing on selections to the Team for any other competition or event.

2. AMENDMENTS TO COMPETITION CRITERIA

- a) SA may amend this Competition Criteria from time to time. If amended, the amended Criteria will be distributed by:
 - (i) posting it on the SA website www.shootingaustralia.org and social media platforms;
 - (ii) email to members of the SA National Squad and people subscribed to other distribution lists.
- b) Any amendments to this Competition Criteria shall take effect immediately on publication by SA.
- c) Any failure to give any notice or follow any process under this Competition Criteria does not invalidate such notice or process and does not give rise to an appeal in respect to the notice or process.

3. TEAM SIZE

- a) Please refer to clause 4(a)(i) of the General Selection Criteria for the events in which athletes may be selected to the Team.
- b) Up to three (3) athletes may be selected per event for each WC, GP or Other Event by the Panel.
- c) Where there are a mix of Junior and Senior athletes this may be amended to up to five (5) athletes per event at the sole discretion of the Panel.
- d) Where there are four (4) or more athletes selected, the Panel will determine which athletes are entered as Ranking Points Only (RPO), if required by the Event Rules.
- e) Neither this Competition Criteria, nor SA, nor ISSF require SA to select any, or the maximum number of, athletes to the Team for any event. For the avoidance of doubt, nothing in this Competition Criteria operates to require the Panel to exercise any discretion to select any athletes to the Team or fill all available positions on the Team.
- f) Final Team members and composition of the Team are determined at the absolute discretion of the Panel.

4. MINIMUM PERFORMANCE STANDARDS (MPS)

- a) Please refer to clause 6 of the General Criteria for information related to Average Performance Scores (**APS**) and MPS.
- b) To be eligible for consideration for selection to WCs, GPs or Other Events, athletes must have achieved an APS that meets or exceeds the MPS for the relevant event as detailed in clause 4(c).
- c) The MPS for each event is as follows:

| MEN'S EVENTS | MPS | WOMEN'S EVENTS | MPS |
|-----------------------|-------|----------------------|-------|
| 50M RIFLE 3 POSITION | 579.5 | 50M RIFLE 3 POSITION | 577.5 |

| 25M RAPID FIRE PISTOL | 565.5 | 25M PISTOL | 573.5 |
| 10M AIR PISTOL | 573.5 | 10M AIR PISTOL | 568 |

- d) The Performance Window for relevant WCs are detailed in clause 5(a)(i)-(iv).

- b) Without in any way limiting the discretion of the Panel, when selecting National Squad Athletes (i.e. Categorised or not Categorised) to the Team, the Panel may consider any of the following Factors (Factors), and in no particular order:

- c) The discretion granted to the Panel in clauses 5(a) and (b) above is absolute and it need not be exercised. In exercising its discretion, the Panel may consider any Factor or a combination of Factors that is, in the opinion of the Panel, relevant for consideration when selecting athletes to the Team and may attribute whatever weight it deems appropriate to any Factor when making its decision. For the avoidance of doubt, the Panel is not required to consider or rely on any or all of the Factors in the exercise of its discretion to make a decision. For example, the Panel may rely on one (1) Factor, two (2) Factors, three (3) Factors, etc., a combination of Factors or no Factors in exercising its discretion.
