Practice:	The range will be available for practice from Wednesday 1 st Thursday 2 nd & Friday.
Squadding:	Athletes will be advised of their range duties, shooting times and positions by email. Included will be a complete schedule of matches showing ranges and times.
Preparation Time	Will commence BEFORE the advertised starting times. 50m & 10m events now 25 minutes.
Finals:	25m Rapid Fire, 25m Pistol Women, 10m Air Pistol (Men & Women).
Friday Squadding	If you are entering 6 events the programme requires 3 ½ events on the Saturday, being Std, Air, 25m Pistol Prec. + R.F. stage and ½ Rapid. (5 events = 2 ½). To reduce this to reasonable you need to volunteer Friday for Air and / or 25m Pistol Prec. There are only 24 positions for 6 event athletes who can only start from Saturday morning. Please consider at least Air on Friday pm or 6.30 evening, and maybe Precision as well. Up to 60 Air positions available Friday afternoon / evening and 48 positions 25m Pistol Men's Prec. at 3.00 pm are available on Friday. 25m Pistol Men's R.F. will be on Saturday either way.
Qualifying Score	The qualifying score is your best competition score that you have shot in the last 12 months or an estimate of your highest potential score. The squadding must allow for anyone that could make the Finals, to be available, so I need to know everyone's likely highest score. It is also a benefit to all if each detail has athletes of similar level of ability.
Tied Scores	There will be no Shoot-offs, the X count will apply, then last ten shots as per the Rules.
Daylight Saving Time	Will commence at 2.00 am Sunday morning. Adjust clock / watch forward 1 hour, If you arrive Sunday morning at Eastern Standard Time, it cannot be fixed.
Camping at the Range	Plenty of room at the range, no charge, we cannot supply power during the day, bring your Honda generator. If you want Motel or Camping Ground, Book now!.
Catering	Refreshments will be available at the range each day.
