Section 1. General Conditions of Service for Officials

1.1 Code of Conduct

Shooting Australia is a professional organisation with high standards and expects that all Officials will adhere to behaviours that exemplify these standards. This section describes the behaviours and standards which all Officials are expected to adhere to in order to uphold the mission and values of the Organisation. Refer to Section 5 for the Code of Conduct.

This section is supported by detailed procedures and processes where applicable.

1.1.1 *Conduct and Behaviour*

Shooting Australia expects that Officials will behave in a professional manner which upholds the standards and values of the organisation. Officials will always treat others with respect and courtesy reflecting the objectives of Shooting Australia.

Officials are expected to behave with integrity in their dealings with others, providing support and assistance to the Event Delivery Team, and to individuals and organisations to whom they provide services or information.

Harassment and bullying are not tolerated in Shooting Australia's workplace or in any venue where its services are delivered. All Officials share a responsibility for ensuring that Shooting Australia Domestic Endorsed Events, or other events that they may be appointed to from time to time (domestically or internationally) are free from bullying and harassment and that the appropriate processes are used to deal with any incidents that may arise. Disciplinary action or termination may result from inappropriate behaviour.

The Shooting Australia Code of Conduct can be found [here](#).

1.1.2 *Sports Integrity and National Integrity Framework and Sport Integrity Modules*

Shooting Australia takes integrity seriously.

All our members and participants have an obligation to protect and maintain the integrity of sport, as well as the health and wellbeing of our athletes.

For the avoidance of doubt, any person engaged with Shooting Australia as an Official (and/or in a volunteer capacity) is a Relevant Person under the National Integrity Framework and bound by the policies captured within this Framework.

Sport Integrity Australia

Shooting Australia works closely with Sport Integrity Australia (SIA), the national agency established to protect sport against integrity threats. For more information visit the [SIA website](#).

National Integrity Framework

Shooting Australia has adopted the National Integrity Framework (NIF) through SIA. The NIF is a suite of policies that sets out the broad expectations for the conduct of all participants in sports. It is designed to mitigate integrity threats to sports and provide a safe, fair and healthy environment for participants at all levels of sport.

It is important that all Officials are familiar with the policies within the NIF as this will be important during the delivery of all Shooting Australia Domestic Endorsed Events. The policies in the NIF include:

- Improper Use of Drugs and Medicine Policy;
- Safeguarding Children and Young People Policy;
- Member Protection Policy;
- Competition Manipulation and Sports Gambling Policy; and
- Complaints, Disputes and Discipline Policy.

The Shooting Australia NIF can be found at [Sport Integrity - Shooting Australia](#).

Shooting Australia Integrity Officer

Shooting Australia's Integrity Officer and Complaints Manager is Sports Advisory Partners Australia (SAPA) and they can be contacted by emailing integrity@shootingaustralia.org. Read more about SAPA [here](#).

Sport Integrity Modules

It is expected that all Officials engaged by Shooting Australia complete the following Sport Integrity Modules and provide a certificate to Shooting Australia upon completion:

- Anti Doping
- Competition and Match Fixing
- Child Safeguarding

It is also a requirement to complete the Annual Update through Sport Integrity, with the certificate of completion provided to Shooting Australia.

All certificates to be emailed to office@shootingaustralia.org.

Sport Integrity Modules can be found [here](#).

1.1.3 *Community Care Obligations and Working with Children Check*

Shooting Australia has a responsibility to the Target Shooting Sports community and it is expected that Officials are sensitive to the needs of the community and the individuals within it. During the delivery of events, Officials who form part of the Event Delivery Team, will come into contact with children and vulnerable members of the community. The Officials have a clear duty to protect the rights, safety, financial security, and well-being of these individuals.

An Official will advise Shooting Australia immediately if any Authority commences proceedings against them that may result in their inability to sustain clearance to attend an event in an environment where children or vulnerable people may be in attendance.

Shooting Australia will advise the Officials of any procedures required to apply for, or to obtain clearance/s to attend an event. Shooting Australia will also provide Officials with regular education and resources to ensure ongoing awareness of any policies or guidelines they need to be familiar with and adhere to.

Working with Children Check

It is expected that all Officials who are engaged by Shooting Australia hold a current Working with Children Check (or equivalent in the Officials state/territory). A copy of this certificate is to be provided to Shooting Australia via office@shootingaustralia.org.

1.1.4 *Privacy & Confidentiality*

All Officials are required to maintain the confidentiality of all personal and corporate information which they may have access to during their time at an event. This information is only for use in the course of the duties as an Official at an event and may not be used for any other purposes.

Officials must also respect the privacy of individuals who are registered with Shooting Australia and should not use or disclose personal details except when expressly authorised by Shooting Australia. This includes disclosure to any other Official or member of the community not authorised to receive such information.

Except when expressly authorised by Shooting Australia, an Official will not:

- Directly or indirectly reveal, or cause to be revealed, to any third party any confidential dealings, finances, transactions, or affairs of Shooting Australia or any of its clients which may come to their knowledge during their period of engagement.
- Use for their own benefit or gain or that of any other person, firm or company, any confidential information belonging to Shooting Australia.

An Official's obligation in these matters continues to apply after the conclusion of their engagement.

1.1.5 *Conflict of Interest*

Officials must disclose any actual, perceived, or potential conflict of interest to the Shooting Australia Event Manager, Coordinator or nominated representative at the earliest opportunity. The Shooting Australia Event Manager, Coordinator or nominated representative, in consultation with the event's Technical Director, will determine whether the conflict of interest requires the individual to withdraw from participation in an event or decision.

Examples of a Conflict of Interest may include:

- Being related to an athlete where a decision is being made that may impact their competition outcome
- Being a coach of an athlete where a decision is being made that may impact their competition outcome
- Being on the Board of Shooting Australia
- Being on the Board of a Shooting Australia Member Organisation
- Being on the Shooting Australia National Team Selection Panel
- Being a competitor in the same event you have been engaged to Officiate
- Have any known and unresolved grievances or disputes with an individual including a competitor, event host or other Officials

1.1.6 *Intellectual Property*

All event records, documents and other papers or electronic images, together with any copies or extracts thereof, made or acquired by Officials in the course of their engagement with Shooting Australia for an event, must be returned to Shooting Australia on demand or otherwise no later than upon the conclusion of the engagement.

1.1.7 *Equal Event Opportunities*

Shooting Australia recognises that Officials are one of its most important resources and is committed to providing equal event opportunities for all. Shooting Australia Officials are expected to support this objective in their behaviour and conduct during the event delivery process.

1.1.8 *Access and Inclusion*

Shooting Australia makes all practicable efforts to ensure and promote access and inclusion through the event delivery process. Shooting Australia, through its provision of equal opportunity, supports the objectives of applicable equal opportunity laws that deal with discrimination and harassment.

1.1.9 Dress Code

It is expected that at all Shooting Australia Domestic Endorsed Events, Officials wear a Shooting Australia Official branded short sleeved or long-sleeved polo, with black, blue or beige coloured pants or shorts (preferably non denim). Closed toe shoes (e.g. runners or boots) must also be worn.

A Shooting Australia hat should also be worn, especially for outdoor events.

It is also appropriate for ISSF licenced Judges and/or Shotgun referees, wear the relevant vests in accordance with the role an Official is performing. A Range Officer vest is also appropriate to be worn for this role.

Shooting Australia acknowledges that at times, Event Hosts that are part of the Shooting Australia Domestic Endorsed Event series may request Officials to wear a uniform applicable to the State Association, National Association or Club they represent.

Irrespective of the uniform an Official is required to wear, Officials are expected to demonstrate a neat and presentable standard of dress at all times.

Shooting Australia reserves the right to raise the issue of dress with individuals when considered necessary.

Officials can access uniform by emailing office@shootingaustralia.org. A basic uniform kit will be provided to Officials free of charge, with additional items available for purchase.

Refer to the [Personnel Uniform Policy](#).

1.1.10 Drugs and Alcohol in the Workplace

Shooting Australia is committed to providing Officials with a smoke, drug and alcohol-free environment when participating in Shooting Australia Domestic Endorsed Events. Alcohol may be permitted to be served at designated social occasions off the field of play and outside of the event schedule. Responsible service and consumption of alcohol will be advocated at all times. Alcohol must not be consumed when wearing Shooting Australia uniform/branding.

The unlawful distribution, dispensation, possession or use of a controlled substance while engaged by Shooting Australia and Officiating at a Shooting Australia endorsed event, is prohibited.

The Shooting Australia Event Manager, Coordinator or nominated representative in attendance at a Shooting Australia Domestic Endorsed Event, must be notified immediately if an Official is:

- Convicted of a drug or alcohol violation arising out of conduct occurring during the delivery of a Shooting Australia Domestic Endorsed Event
- Fined, or has their driver's license suspended while driving a hire vehicle arranged by Shooting Australia as a result of being under the influence of alcohol or other intoxicants.

Any Official who is in violation, will be subject to discipline up to and including termination of their current Officiating role and Officiating Letter of Engagement.

1.1.11 Presentations and Gifts

Officials may on occasion receive presentations and gifts from Shooting Australia in recognition of services provided in an Officiating capacity through the delivery of events.

1.1.12 Official and Volunteer Information

Shooting Australia will maintain a database containing Officials details. This database will be used for internal purposes only and will not be made available to any persons outside of Shooting Australia, nor circulated to other Officials or Event Hosts. Officials will be required to ensure that the personal and medical details provided to Shooting Australia remain up to date at all times.

Shooting Australia will also maintain a register of all Officials with ISSF and/or WSPS officiating accreditation noting level of accreditation, date of accreditation and any renewal dates. Again, this information will not be made available to any persons outside of Shooting Australia, nor circulated to Officials of Event Hosts.

A database will also be kept to record events that Officials have been engaged for, both domestically and internationally. This database will be used for internal purposes only and will provide Shooting Australia with information to appropriately acknowledge the service of Officials, as well as assist in recommending the most suitable Officials to domestic and international appointments, and endorsing ISSF and WSPS Officiating licence renewals.

1.2 Insurance

Insurance Coverage when Travelling to a Domestic or International Event

All Officials engaged by Shooting Australia to assist in the delivery of a Shooting Australia Domestic Endorsed Event, or endorsed by Shooting Australia to officiate at an international event (within or outside of Australia), will be covered by Shooting Australia's Associations Liability and Business & Travel Insurance.

In the event Shooting Australia books any travel for an Official, the person/s will be covered under Shooting Australia's Corporate Travel Policy.

Motor Vehicle Insurance

Personal Vehicle

Officials are responsible for their own motor vehicle insurance if travelling to/from a range to perform an officiating role and that their insurance coverage provides sufficient cover for loss/damage of their own vehicle.

Hire Car

A copy of the applicable insurance cover for hire vehicles arranged by Shooting Australia will be provided upon confirmation of the booking.

When collecting a hire car, Officials must not:

- Increase the level of insurance offered by the hire car company or pay to reduce the excess. Any excess liability is already covered under Shooting Australia's insurance policies.
- Pay to nominate additional drivers. Shooting Australia is responsible for adding any additional drivers at the time of making the hire car booking.
- Allow anyone who is not listed on the hire car booking to drive the hire car.

Shooting Australia will ensure that the necessary insurances are in place for all hire car bookings. Insurances will only apply to drivers who are listed on the hire car booking. All drivers must be duly licensed and fit to operate the hire car.

Personal Health Insurance

Shooting Australia recommends that all Officials maintain private health insurance, especially if travelling to international events held outside of Australia.

1.3 Internet Access

There will be no internet access provided to Officials while assisting in the delivery of a Shooting Australia Domestic Endorsed Event. However, Event Hosts may provide public wi-fi access domestically or internationally.

1.4 Telephones

There will be no mobile telephone access or mobile telephone allowance provided to Officials when appointed to a role at either a Shooting Australia Domestic Endorsed Event or international event. A Shooting Australia representative can provide you with access to a mobile telephone if required.

When using your personal mobile telephone during an event of which you are Officiating, please ensure the ring tone is at a level that will not impact the field of play, and when on the telephone you are removed from the field of play and by taking or making the telephone call, you are doing so at a time when you are not required to be fulfilling your duty.

1.5 Care of personal property

Officials should take reasonable precautions to ensure the security of personal possessions brought with them to an event to reduce the risk of theft or damage. Shooting Australia does not take responsibility for loss or damage to personal property due to negligence or wilful action on the part of the Official. This includes, but is not limited to, technology (laptops, mobile phones etc), jewellery and other personal items.

1.6 Travel

Domestic Travel

Where possible, the roles required from Officials will be filled from those available within the State or Territory a Shooting Australia Domestic Endorsed Event is being held. Where this is not possible, Shooting Australia will work closely with the Event Host to appoint a best fit Official/s from another State or Territory. Shooting Australia will make the necessary travel arrangements including booking of flights, accommodation and car hire as needed. The costs of such will be met by Shooting Australia. Direct flights will be booked where possible, and preference given to the most affordable flights.

In the event an Official has preference in driving to an event in their personal vehicle, a fuel allowance will be given based on the table on the next page.

	Under 100km Travelled	100km or over Travelled	300km or over Travelled (max amount claimable)
Value Amount	\$0	\$50.00	\$100.00

In the event an Official has preference in accommodation and would prefer to make their own arrangements, Shooting Australia will provide reimbursement (upon provision of a tax invoice) up to the comparative cost of accommodation provided to other Officials at the same event.

International Travel

Should an Official be appointed to a role at an international event, outside of Australia, it is not uncommon for the Local Organising Committee to make travel arrangements including flights, accommodation and ground transport, and cover such costs. Depending on the role an Official has been appointed to, this might not always be the case and in this situation, Shooting Australia will work closely with the Official on making any travel arrangements and may cover some or all of the costs through prior agreement with the Official.

Per Diems

Officials may receive a per diem to contribute towards meals (breakfast, lunch and/or dinner) if such is not included as part of an Officiating appointment (e.g. by the Local Organising Committee), provided at the range (e.g. lunch at a Shooting Australia Domestic Endorsed Event) or included as part of an accommodation booking (e.g. breakfast).

Domestic Per Diem

The daily maximum domestic per diem for Officials is up to \$50 AU and is a contribution towards an Officials lunch and dinner.

Breakfast will typically be covered with accommodation and if not available at the hotel, an alternative arrangement will be made, and in addition to the daily domestic per diem.

If any additional meals are provided, e.g. lunch or dinner, only partial per diems will be paid to cover any meals that are not pre-arranged. If all meals are provided, no per diem will be paid.

It is Shooting Australia's intention to ensure any per diems are paid to Officials before the first day of an event they are officiating at.

International Per Diem

The daily maximum international per diem for Officials is up to \$100 AU and is a contribution towards meals. The amount of the per diem that is paid will be determined by the meals that are provided by the Local Organising Committee e.g. if all meals are provided to the Official, then no per diem will be paid.

1.7 Internal Grievance Resolution

If any Officials feel they have cause for complaint regarding their treatment by Shooting Australia, they may seek resolution in accordance with the [Complaints, Disputes and Discipline Policy](#) as outlined in the National Integrity Framework. Every effort should be made to solve problems cooperatively and informally before escalating them to a formal complaint.

All grievances will be taken seriously and will be fully documented in the event an Official would like to proceed to a formal complaint. Such information will be used to determine appropriate steps and actions. All complaints will receive thoughtful consideration in a timely manner and will be discussed with the individual who raised them. Discussions held are confidential.

Officials are assured they will not be disadvantaged by using these procedures whether decisions are found for or against their grievance.

Section 2. General Procedures

2.1 Work Health and Safety

2.1.1 *Safety in the Workplace*

Workplace health and safety is important in ensuring the workplace environment is both safe and encourages sound health practices. Shooting Australia is committed to ensuring a healthy and safe workplace for Staff, Officials, Volunteers, Spectators and Athletes.

A risk assessment process will be undertaken by Shooting Australia in collaboration with Event Hosts prior to the commencement of an event. This process will identify any risks that may impact a safe delivery of an event which may include fire, flood, range hazard/s and/or access.

Refer to [Domestic Endorsed Event Risk Assessment Policy](#).

All Officials are encouraged to regard accident prevention as a collective and individual responsibility. Should a safety hazard or incident be identified it is imperative that the problem be reported immediately to the event Technical Delegate and/or Shooting Australia representative to enable immediate action to be taken.

Care should be taken to ensure that, where a professional service is required, no action is taken that may endanger the health or safety of a person. All persons present at the time are required to obey all reasonable instructions aimed at protecting their health and safety.

Should an accident or injury occur it must be immediately reported to the Shooting Australia Event Manager, Coordinator or nominated representative who will ensure that appropriate action is taken. This Shooting Australia representative will have access to an Incident Report Form which is to be completed and filed by the person reporting the incident, along with any accompanying documentation.

If an illness requires medical attention suitable arrangements will be made to provide transport of any Official to either a doctor or hospital. Any Official who has a medical issue/episode which may require urgent medical treatment should make the Shooting Australia Event Manager, Coordinator or nominated representative aware immediately.

2.1.2 *Heat and Adverse Weather*

Shooting Australia and the Event Hosts have a duty of care to monitor environmental conditions and to take action to minimise the risk of heat stress to athletes, officials, volunteers and spectators attending any events in the annual Shooting Australia Endorsed Event Series.

In addition to any heat risk, Shooting Australia and the Event Hosts also have a duty of care to monitor/examine weather forecasts prior to the commencement of competition to determine any possible adverse weather conditions that may impact the event and result in a delay, postponement, rescheduling or abandonment.

Heat and adverse weather is captured as part of the Domestic Endorsed Event Risk Assessment Policy and can be found [here](#).

2.1.3 First Aid

While Shooting Australia encourages Officials to hold a current first aid certificate, this is not mandatory. Shooting Australia will ensure a representative at an event holds an appropriate first aid certificate, as well as ensure there is a first aid representative provided by the Event Host. It will be expected that each Event Host provides access to a well-equipped first aid kit, including a maintained defibrillator.

2.1.4 Emergency Procedures

It is expected that Emergency procedures for an event are clearly outlined by each host. It is Shooting Australia's responsibility to ensure that each event host/venue has an Emergency Evacuation and Procedures Plan on display. It is recommended that all Officials familiarise themselves with such procedures. No Official is exempt from taking part in any organised emergency activity.

2.2 Communications & Marketing

2.2.1 Promotional Material

Shooting Australia will continue to promote events in the lead up, during and after their conclusion. This process will be coordinated by Shooting Australia in line with its communication plan.

2.2.2 Media Contact

The Shooting Australia Event Manager, Coordinator or nominated representative at an event will coordinate any media interviews and promotional opportunities throughout the duration of an event in conjunction with the Event Host. Officials may be advised of any associated activities that may be undertaken throughout an event on an information only basis.

Should an Official be approached by media during an event, they should immediately advise the Shooting Australia Event Manager, Coordinator or nominated representative to determine if any media opportunity or promotional request is appropriate.

2.2.3 Social Media

Shooting Australia engages in regular social media posts and external communications, relevant to its activities. This may include social media posts or external communications relative to events. All postings on social media will always be considered as a public forum and Shooting Australia will ensure that postings are not discriminatory, offensive, inappropriate, or liable to bring the organisation into disrepute.

Shooting Australia may at times capture photographs or videos of Officials to acknowledge their contribution to the sport and/or an event via a social media post or external communication. Officials may also be photographed or filmed performing their officiating roles, especially when finals are being conducted. Should an Official not wish for their photograph or video to be taken for either personal preference or privacy reasons, please advise the Shooting Australia Event Manager, Coordinator or nominated representative immediately at the commencement of an event.

Visit Shooting Australia's Social Media Guidelines [here](#).

2.2.4 Managing Athlete Feedback

From time to time, athletes may feel unhappy with a situation or competition outcome, and although this may sometimes be caused by external factors, Officials are encouraged to assist and listen to any feedback received. When athletes have a complaint or other issue, the four steps below should be considered to help in managing the situation.

Four steps to managing athlete feedback

1. **Listen:** Listen to their story without interruption. To show that you understand their problem, repeat their issue back to them in your own words.
2. **Acknowledge:** Acknowledge their issue and apologise for the inconvenience. Do not be defensive, do not over explain and do not assign any blame to the athlete or other Official. Thank them for their feedback.
3. **Take action:** Tell the athlete what you are going to do to fix or work through the situation for them to ensure it doesn't happen again. Take their details, so that they can be contacted later if appropriate (e.g.: for an apology letter).
4. **Follow Up:** Make sure that the action you have promised the athlete is completed and work closely with the Shooting Australia Event Manager, Coordinator or nominated representative to deliver on the follow up.

In the event an Official does not feel comfortable in managing the feedback process, the Shooting Australia Event Manager, Coordinator or nominated representative will provide assistance.

It is also important to acknowledge that there is a process through ISSF and WSPS rules for an athlete to formalise their concerns and potentially dispute an outcome. There is also a process through the Complaints, Disputes and Discipline Policy under the Shooting Australia NIF that can be referred. Contact can be made with Shooting Australia's Integrity Officer and Complaints Manager, SAPA who can be contacted by emailing integrity@shootingaustralia.org.

The Shooting Australia NIF can be found at [Sport Integrity - Shooting Australia](#).

2.3 Event Delivery Interruption

Shooting Australia, in partnership with the event hosts, will endeavour to deliver all diarised domestic endorsed events. However, issues may arise outside of the control of the event delivery and consequently may require an altered event, rescheduled date, or event cancellation.

Section 3. Officiating Conditions and Procedures

3.1 Officiating Recruitment and Induction

Officials will be recruited or nominated based on suitability for any position (domestic or international) and in line with Shooting Australia's officiating appointment procedures.

All Officials will be provided with information relating to Shooting Australia's policies and procedures when attending an event within Australia or overseas.

Upon arrival at an event, Officials will be provided with an overview of the event, including information relating to emergency procedures. It is encouraged that Officials who may be unfamiliar with a range, be taken on a guided tour showing them the layout of the venue, pointing out toilets, fire extinguishers, catering facilities and other important areas.

Officials will be engaged by Shooting Australia on an event-by-event basis, and upon signing of a Letter of Engagement.

3.2 Ongoing Support & Development

Officials will be provided with ongoing support, supervision and professional development opportunities via mechanisms that may include officiating courses conducted by the ISSF or WSPS, access to Officiating mentoring programs and access to international competition opportunities outside of Australia.

Shooting Australia encourages its Officials to enhance their knowledge relating to their position within the delivery of an event. Should training needs be identified, consideration will be given as to what level of support may be provided by Shooting Australia.

3.3 Termination of Service

Termination by Official

Should an Official wish to resign from further participation in a Shooting Australia Domestic Endorsed Event and terminate their Letter of Engagement, or withdraw from an international event appointment, they are asked to advise Shooting Australia as soon as practicable.

When an Official elects to terminate their engagement with Shooting Australia, a record of the request to terminate will be kept in order to obtain information that may help to:

- Establish the reasons for terminating the engagement
- Analyse any trends in the reason for terminating the engagement
- Gain constructive feedback on the Official's position and their time with Shooting Australia

Termination by Shooting Australia

Shooting Australia reserves the right to terminate the Officials Letter of Engagement in the event of misconduct. Misconduct includes breaches of any of Shooting Australia's policies and procedures as well as serious cases of misconduct including:

- Theft of property or funds from Shooting Australia and/or the event host
- Wilful damage to Shooting Australia's or the event host's property
- Intoxication through alcohol or other prohibited substance(s) whilst officiating
- Verbal or physical harassment of any other employee, official, volunteer, Shooting Australia Staff Member, Athlete or any other person particularly in respect of race, sex or religion
- Disclosure of confidential information regarding Shooting Australia to any other party without prior permission
- Falsification of any of Shooting Australia's records for personal gain or on behalf of any other Official
- Unwillingness or inability to support and further the mission of Shooting Australia and/or the objectives of the event programme.
- Any matters pertaining to a determined Integrity breach

Immediate dismissal would only take place in the most serious of circumstances and the Official would be advised by Shooting Australia management. A written report will be provided to the Official clearly outlining the reason/s for the dismissal. Shooting Australia will retain a copy of the report. The Official must return any Shooting Australia property they have in their possession.

Section 4. Official Provisions and Allowances

Throughout an event, it is expected that all Officials (whether engaged by Shooting Australia or the Event Host) will be provided with:

- Water, tea and coffee while on the range

When accommodation is required by an Official to attend an event, Shooting Australia will make these arrangements. Accommodation may comprise twin share (Officials to share) or single rooms and dependent on accommodation availability and budget.

In the event an Official has preference in accommodation and would prefer to make their own arrangements, Shooting Australia will provide reimbursement (upon provision of a tax invoice) up to the comparative cost of accommodation provided to other Officials at the same event.

In the event an Official requests a twin share/double room to accommodate a partner or relative, any additional charges will be on-charged to the Official for payment and such charges may include a twin share supplement and/or a breakfast supplement.

Request for Reimbursement

From time to time, it may be appropriate to reimburse an Official for an out-of-pocket expense. Shooting Australia tries to limit this requirement unless pre-approved (prior to incurring the expense) with the Official.

Some examples of where pre-approval for reimbursement might be granted:

- Road travel (in accordance with the Travel Allowance)
- Fuel (where an Official has re-fuelled a hire car prior to return)

All Officials engaged by Shooting Australia must comply and meet the following requirements in regard to their conduct during any event or activity held or endorsed by Shooting Australia, and in any role they hold within Shooting Australia. In addition to the following requirements, all Officials must also comply with and understand that they are bound by the National Integrity Framework suite of policies.
